VALUE

Quick sale - \$

Fair market - \$

Replacement - \$

Quick sale value - Quick sale value is the amount you could expect if you were to liquidate it as soon as possible through an auction, yard sale or other similar venue.

Fair market value - Market value or fair market value is the most probable price that an item will sell for in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus.

Replacement value - Replacement value is defined as the amount it would cost to replace an item with one of similar and like quality purchased in the most appropriate marketplace within a limited amount of time.
